PICKS THESE FOOTBALL PLAYERS AS THE MOST
OUTSTANDING OF THE 1952
FOOTBALL SEASON

STAN WHITLEY--
Stan, was the mainstay of the Rayder line. He was elected co-captain and was on both the All Conference and All Opponent second teams. Also the All State second team.

JIM LEWIS--Jim played the half-back slot this year. He received Honorable mention for the All Conference team. Jim was noted for his broken field running, and was co-captain for the season.

DEANO DAVENPORT. Deano was the first string end and the team's best pass catcher. He was on the All Opponent first team and the All Conference second team.

PAUL JOHNSON--Paul was the bulkhead of the backfield. He was a quick starter and possessed terrific power and drive. Paul was named to the All Conference and All Opponent second teams.

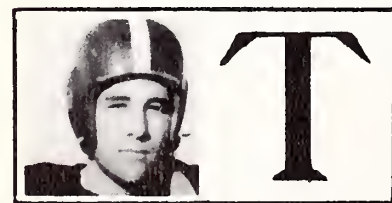

FRED JOLLIFFE
Fred was switched from halfback to guard and he proved to be the teams best blocker. He made the second team on both the All Conference and the All Opponent teams.

RAY SANFORD--Ray was a quarterback on offense and a half-back on defense. He was the teams leading pass interceptor. Always willing to step in when needed, Ray was very valuable.

BILL MOSIER--Bill played tackle this year and was one of the teams best down field blockers. Bill played both offense and defense.

LOUIS MASON--Louie didn't join the team until midway through the season, but he stepped in and took over as a defensive halfback with his hard tackling.

CAVALCADE OF SPORTS

PICKS THESE COACHES AS THE
BEST IN THE NATION

CARL FOSTER--
Carlie was a hard-blocking center and also a fine pass catcher on our center-eligible pass play. He was one of the hardest workers on the team.

WILFRED BROWE--
Wilfred was a small guard weighing only 135 lbs. But willing to tackle a 200 pounder. He played mostly on offense, and was a fine blocker.

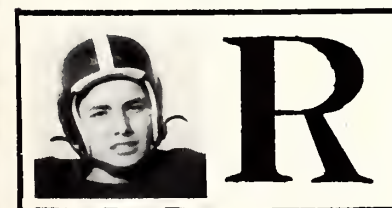

DON VRATANINA--
Don had a bit of bad luck last year and injured his collar bone. So he did not see much action. Don would have been a great help in running back kickoffs.

JACK CROSS-- Jack although not on the first eleven saw a lot of action as a defensive tackle. He was one of the toughest men on the team, and a very hard worker.

JOHN LABLANCE--
John was a second string guard but he was the real "oil can" of the team. His jokes kept the team relaxed and his hard work set an example for the rest.

STUART WALKER--
Although Stuart didn't play too much he was the most willing player on the team. He was always willing to step in when he was needed.

RON GEER-- Ron was our student manager last year. He was a great morale booster as well as a big help with the tape and water bucket. Ron also played on the team for three years.

COACH TERRILL--
graduated from Wayne University where he won letters in football and basketball. He has coached at Charlevoix for three years. His teams have won three Conference titles.

COACH COLEMAN--
graduated from M. S. N. C. where he participated in Football and track. He is assistant coach for the football team and head man of the Rayder track team. His track squad has won the district track title for 14 years straight.

COACH BURNS--
received his degree from Olivet College where he won letters in Football and in Baseball. He is the Reserve Football Coach and has developed many of CHS's stars. He is in his sixth year of coaching at CHS.

CAVALCADE OF SPORTS

PICKS THESE GAMES AS THE MOST OUTSTANDING OF THE '52" SEASON

CHARLEVOIX(AP) Charlevoix opened its football season with a bang by downing Boyne City 13-0. Jack Denemy opened the scoring by grabbing a pass in the first stanza, and then Paul Johnson tore his way through the line to score in the last quarter. Stan Whitley's play in the line was outstanding along with Ray Sanfords on defense. CHS. 13 BOYNE CITY 0.

EAST JORDAN(UP) CHS did everything but out score EJ, when they went down to their first defeat in the "52" season. Mistakes cost the Rayders this one. Fumbles, penalties, and mistakes on pass defense were the worst ones and EJHS capitalized on all of them. CHS's Denemy made an impossible catch of a pass to score in the 1st quarter. Jim Lewis made a leaping catch of a Bennett pass to score only to have it called back because of a penalty. EJ scored on the next play, then later on with a reverse, to end the scoring for the day. Deano Davenport's pass catching and Jack Cross's work in the line were the high lights of the game. CHS 7 EJHS 14.

CHARLEVOIX(AP) CHS won their 2nd game of the year by defeating Gaylord 13-7. It was all Gaylord in the first half as they led 7-0. In the 2nd half it was a different story, as a determined CHS team took the field. In just five plays CHS scored when Bennett tallied on a naked reverse. Smith kicked the extra point. Johnson bulled over for the 2nd Rayder score late in the final period. Bill Mosier's blocking in the line was outstanding. CHS 13 Gaylord 7.

HARBOR SPRINGS(UP) There was plenty of scoring but Harbor couldn't score as often as the CHS eleven did and the Rayders won 40-28. In the 1st period McDermott scored twice for CHS, and Harbor scored once. In the 2nd Lewis tallied another Rayder touchdown and before it was over Paul Johnson scored twice more for CHS. Johnson's running was the high light of the game. CHS 40 HSHS 28.

CHARLEVOIX(AP) CHS won their 4th game of the year, a 19-7 verdict over Pellston. In the 2nd quarter Bennett scored on a quarter-back sneak. Late in the same period Jim Lewis scored from the ten. Davenport made a fine catch of a pass to score in the 3rd quarter to end CHS's scoring. Carl Foster's catch of a pass on a Center-eligible play was the best play of the game. CHS 19 PHS 7.

MANCELONA(AP) Charlevoix's pass defense was a deciding factor in their loss to Mancelona. As in other games it was very weak. MHS scored first. In the 3rd quarter Lewis broke loose with a dazzling 30 yard run to set up the touchdown for McDermott to score on the next play. In the 4th period MHS gambled on a 4th down pass deep in their own territory and it clicked, setting up their winning touchdown. CHS couldn't score again and the loss dumped them into second place in the final Conference standings. Louis Mason played his best game of the year, and Jim Lewis's break away run was the most exciting play of the game. CHS 6 MHS 13.

CHARLEVOIX(UP) In the final game of the year CHS lived up to the champions they really are. The Cheboygan Chiefs, who just the year before had handed CHS their worst defeat in eight years, provided the opposition. In the 2nd period Lewis took a lateral from Denemy and ran 18 yards for the score. Cheboygan came right back with a quick touchdown of their own. They scored again and led at half time 13-6. CHS would have to score twice to win now and they did just that. The first one came on a short pass to Davenport after Lewis, Johnson, and McDermott took turns moving the ball sixty-five yards, to set up the score. In the last quarter Johnson cracked over for the winning touchdown with 40 seconds left in the game. Fred Jolliffe's play was outstanding in the line. CHS 19 CHEBOYGAN 13.

PICKS THE TOP BASKETBALL PLAYERS OF THE YEAR

The top players of the year were members of the Charlevoix High School Basketball Team, who have won the Northern Michigan Conference race for the third straight year. Charlevoix had a 11-1 record this year and were looking forward to tournament time.

The top players are (left to right): Deano Davenport, Jim Lewis, and Bill Mosier.

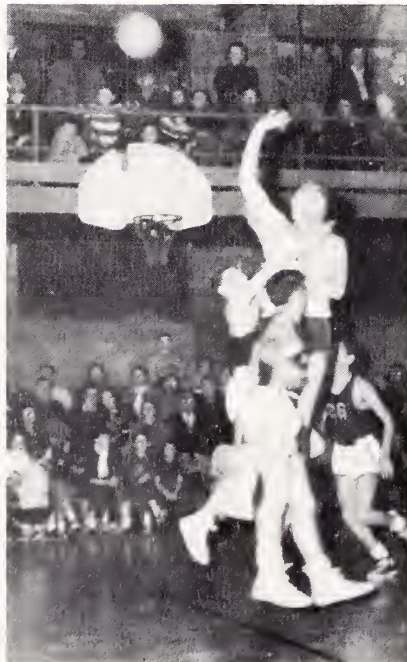

BILL

IN ACTION

BILL MOSIER

Bill started out the season at guard and then moved to forward. Bill was the team's tallest player and leading rebounder, and he got some mighty important baskets right when they were needed.

JIM

IN ACTION

JIM LEWIS

Jim played guard and was a stand out rebounder and passer. Jim, through his steady play was very valuable to the team. He was also a top defensive man and very cool when the going was the toughest.

DEANO

IN ACTION

DEANO DAVENPORT

Deano started out the season as forward but moved back to guard after the first couple of games. Deano was the team's leading scorer in the Conference race, and a fine passer. He had one of the best shooting eyes on the team.

PREDICTS THAT CHS. WILL HAVE NATIONS TOP TRACK TEAM

CHARLEVOIX's track team, which has been tops for the last fourteen years, looks like a sure bet to repeat as the "53" track champions. They have won the District track meet for fourteen straight years and are out to make it fifteen. Led by coach Coleman, who has been coaching at Charlevoix for twenty-seven years, CHS should have another great year.

The Charlevoix High School Band has a wonderful record to which we Senior members have contributed. Getting three consecutive first divisions at the State Band and Orchestra Festivals is a lot easier said than done.

Most of us entered the Senior Band in the ninth grade. It took a month or so before we were able to play some of the music, but after that, we were playing like pros.

We received a first division at the district festival and also received the honor of going to the state festival in Lansing. Most of us were scared stiff at curtain time, but we must have done alright because we came home with a first division. The first one for Charlevoix. Did we feel big when we had to walk in front of assembly and receive our medals!

Our sophomore year also gave us a first division at the district festival. This year we would go to Ann Arbor. Could we repeat our last year's performance? We did, and another blue ribboned medal was added to our collection.

And then we were Juniors! The band was really in the groove, and we certainly deserved the recognition we received.

We have now reached our last year in high school and in the band. We played at the M. E. A. meeting in Petoskey and handed down another top performance.

Janet Krulik was chosen president of the band, Leola Scott secretary-treasurer, and Bob Richards student director.

The Charlevoix High School Band has acquired a great reputation. We hope to add to it by achieving a first division this year. Wouldn't it be wonderful to leave C.H.S. with four blue medals?

TIME MARCHES ON

The Senior Class of "1953" is very proud to present to you our four act play, "Time Marches On," directed by Mr. Burns and Mr. Kipke.

The Characters: 52 students of the well known, "Charlevoix High."

The play opens as we enter the first year in high school, and closes as we walk down the aisle to receive our diplomas.

As the play opens we have a cast of 64 freshmen. You will note that our cast will increase and decrease as the years toll by.

ACT I

Setting: Freshman Class

Stars: Debby Bergeon, Deano Davenport, Don Vratana, Ann Lagerman.

Cast: 64 members

Summary of Act I

Our first activity was a dance after one of our football games. It was a large success. Later in the year we sponsored another dance after a basketball game. We made a lot of money and were both happy and proud of our successes.

Behind the Scenes

In our freshman year, we were represented by 16 boys on our reserve football team, 13 on the reserve basketball team, and 13 out for track.

We were proud of the 13 from our class that played in Senior Band.

ACT II

Setting: Sophomore Class

Stars: Jim Lewis, Bob Richards, Debby Bergeon, and Lewis Mason.

Cast: 61 members

Summary of Act II

As the cast becomes older you will notice a small change--a few more activities.

We are now starting to work hard for our Senior trip.

This year we sponsored two successful dances.

Behind the Scenes

This year we are represented by 12 boys on the reserve football squad and 2 on the varsity.

In basketball, we have 11 on the reserve team.

We were quite proud of the 11 boys from our class participating in track this year.

We still have 13 in band this year and we were proud of them when they went to State and received a one rating.

ACT III

Setting: Junior Class

Stars: Raymond Sanford, Ron Geer, Stuart Walker, and Jr. Roberts.

Cast: 59 members

Summary of Act III

This year we sponsored three dances. To earn some extra money, we cut and sold Christmas trees. Other activities included the J-Hop, Magazine sales and our Jr. Play, "Thursday Murders."

We received our class rings this year and were we proud of them!

For the first time our class went to Petoskey to attend the Career Day lectures.

That year our school started a Student Council. Three from our class were elected to serve on it.

Behind the Scenes

We had 12 on the football squad this year, 6 on the basketball team and 7 participating in track.

The number in band decreased to an even dozen.

ACT IV

Setting: Senior Class
